

June 1, 2021

Dear friends,

We'd like to extend an invitation to you to participate in the annual Marlette Regional Hospital (MRH) Foundation Driving for Health golf event scheduled to take place on **Thursday, September 9, 2021** at the scenic Lapeer Country Club near Lake Nepessing.

Our 2021 event promises to be another phenomenal event for our golfers and sponsors. It includes a great day of golf on a beautifully groomed course, fun and exciting contests/games, delicious food, and extraordinary sponsorship opportunities. Nearly 200 golfers, volunteers, and sponsors participate in this annual scramble, so we recommend securing your sponsorship and team early!

To help the MRH Foundation reach its fundraising goal for our new project—The Heartlands Community Center—we invite you to support this year's event by participating as a sponsor and/or a golf team. Please get your registration form(s) in early to guarantee your spot. Sponsorships fill up quickly and we max out at 36 teams. We have enclosed a sponsor and team registration form for your convenience, and all contributions are tax deductible.

Finally, we want to sincerely thank you for your past support and extend thanks for the support you may give this year and into the future. Together, we are making progress and working together in our mission to continuously improve the quality of health in the communities we serve!

Sincerely,

A handwritten signature in black ink, appearing to read "Scott Keys".
