

Marlette Regional Hospital  
Amounts Generally Billed (AGB)  
02/08/2022

Patients that are eligible for the Financial Assistance Policy (FAP) at Marlette Regional Hospital (MRH), will not be required to pay more than the Amounts Generally Billed (AGB) to patients with insurance.

Marlette will calculate its AGB percentage and corresponding discount at least annually.

The AGB will be calculated using the Gross charges and payments associated with the Medicare program and those of the majority of the Commercial carriers that MRH participates with.

Those patients eligible for the FAP at Marlette Regional Hospital who have a family income that is between 101% and 250% of the Federal Poverty Guidelines (FPG) will receive a discount on their healthcare billings down to the AGB level. Patients with a family income of 100% or less of the FPG will receive free care for eligible services. Those patients with a family income that exceeds 250% of the FPG will not receive a discount.
