

Giving Opportunities

The holiday season presents an opportunity to take pause, come together, and create memories with those around us.

The Tree of Shining Love provides a unique, annual opportunity for the general public to honor the special people in their lives. In doing so, the public will support a worthy cause that will strengthen the quality of healthcare services provided to patients by Marlette Regional Hospital.

Those honored and memorialized by the public will be recognized in a special presentation at the Tree of Shining Love Ceremony and in local forms of media during the holiday season.

Please consider supporting this year's event with one of the following charitable contributions in honor or in memory of someone special:

(Fill out the tribute card on reverse side)

- \$25 For each light added to the tree.
- \$50 For each ornament placed on the tree. Includes a light on the tree.
- \$100 For each gift placed under the tree. Includes a light, ornament, and personalized tag on a gift placed under the tree.
- \$250 For each satin bow placed on the tree. Includes a light, ornament, personalized tag on a bow and gift placed under the tree, and, if provided, a photo of your very special person included in the ceremony presentation.
- \$500 For each poinsettia on display in the Seton Lobby at Marlette Regional Hospital throughout the holiday season. Includes a light, ornament, personalized tag on a poinsettia and gift placed under the tree, and, if provided, a photo of your very special person included in the ceremony presentation.

Sunday, December 4, 2022

You are cordially invited to honor the special people in your life this holiday season.

Presented by the
MRH Marlette
Regional Hospital Foundation

Tree of Shining Love Overview

The Tree of Shining Love is an annual campaign that encourages our supporters to pay tribute, in honor or in memory, to the special people in their lives while supporting a worthy cause.

Gifts received by the Marlette Regional Hospital Foundation for the Tree of Shining Love are used to support projects that strengthen and enhance the quality of healthcare services we provide while supporting our mission.

COMMUNITY CENTER

Project/Cause

Proceeds from the 34th annual Tree of Shining Love event will benefit three specific areas* in our Community Center at The Heartlands.

This 4,596 square foot building includes: large group dining/meeting room seating up to 100 people*, kitchenette*, bathrooms*, media room, gym/exercise room, outside dining area and an office/exam room. The friendly country-style design and location in the center of The Heartlands building complex in Marlette will make it appealing for visitors and guests.

This extraordinary project was thoughtfully selected by our MRH Foundation Development Council because it is a needed resource in our area. This spacious building will be available for public use by appointment for a fee.

Special Tribute

Join us as we pay special tribute to Dan Babcock, Chief Executive Officer for his years of dedication and visionary leadership for United Healthcare Partners and as an advocate for rural health in the State of Michigan.

Dan began his career in healthcare at Marlette Regional Hospital over twenty-four years ago. During his tenure, he served as the hospital's Contoller, Chief Financial Officer, and was appointed as Chief Executive Officer in July 2010. Prior to joining MRH, Dan was on the hospital's external audit team for 9 years and has been a certified public accountant for 30 years.

Over the past twelve years as CEO, Dan has demonstrated proven leadership, innovation, and has embodied MRH's values – Every Patient, Every Employee, Every Time. His visionary leadership led to the establishment of United Healthcare Partners (UHP). Since its inception, UHP has grown into three organizations, Deckerville Community Hospital, Marlette Regional Hospital, and, most recently, The Heartlands Senior Living.

Throughout Dan's healthcare career, he has been an advocate for rural health in the State of Michigan. He has actively served on several committees and boards, including Thumb MRI, Thumb Rural Health Network, Sanilac Medical Control Authority, Hospital Council of East Central Michigan, P.C.U.P.S Foundation, Covenant Rural Health Network, and the Michigan Hospital Association.

As Dan begins his new journey in January 2023, he leaves a legacy of progress, dedication, and an indelible mark on the healthcare industry all while staying true to the mission to continuously improve the quality of health in the communities we serve.

Tree of Shining Love Donation Card

Please note: List one tribute per card. Additional tributes should be submitted on a separate card. For multiple tributes, information may be submitted in list format.
